pared at home in just a few moments, it's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too-children like it—and it is pure and good.

Bour 2½ ounces of Pinex in a pint bettle; then fill it up with plain gramulated sugar syrup. Or use clarified moinses, honey, or corn syrup, instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

ready made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heats the inflamed membranes that line the threat and air passages, stops the annowing throat tickle, loosens the philegen, and soon your cough stops entirely. Splendid for bronchitis, croup, hearseness and bronchial asthma. hearseness and bronchial asthma.
